Re: John Howard Davis

Dear Mrs. Manly:

I expected to hear from you before this time with regard to the above entitled matter. If you are still interested in securing the waver please let me know.

According to your agreement with me in the cost of the telephone call to Albany, which is \$2.60, I will be very grateful to you if you let me know just what you wish me to do.

Very truly yours,

WILLIAM T. ANDREWS
